Michael Stone's 30+ years of experience in residential remodeling sales and residential specialty sales is shared in his book, *Profitable Sales, A Contractor's Guide*. "This is a powerful, practical book" loaded with great ideas to increase your sales and your profits! " Brian Tracy Michael explains how to:

Profitable Sales, A Contractor's Guide - Markup and Profit

Somewhere along the line, people started believing that a 10% overhead and 10% profit is the industry standard for construction jobs. Or that a 20% markup is all a contractor needs. Armed with that knowledge, owners try to get their contractor to reduce the price of the job they want done. If you think it through, it's not a smart move.
