northwest where they enjoy fishing bluegrass music bicycling and

When the small plane which his uncle allows him to fly tumbles out of control, fourteen-year-old Jay relies on God's help to land the aircraft safely.

Fourteen-year-old Jay Cooper is enjoying the view from his Uncle Rex's Cessna when a low-flying 757 speeds past them. Caught in its wind turbulence, their small plane is shaken violently, knocking Rex unconscious and leaving Jay blind from a head injury. With fuel running out fast, Jay drifting in and out of consciousness, and the plane heading straight for a mountain range, this high-flying adventure shows the importance of faith as Jay faces numerous unseen dangers.

Lila and Jay Cooper have joined their dad on a mission to the jungles of Central America, where a group of American treasure hunters have already become the victims of the deadly curse of Toco-Rey. Before Dr. Cooper can solve the mystery, his children are kidnapped and his integrity is put to the test. What price will he pay to get his children back? Is the treasure in the burial tomb of Kachi-Tochetin really worth more than gold? Follow the Coopers as they explore unknown ruins, plunge through dangerous jungles, face hostile natives, and battle ancient evil forces. Will their courage and faith in God bring them through?

Frank E. Peretti's flair for storytelling shines through every Cooper Kids Adventure. This boxed set contains four separate adventures.

Biblical archeologist Dr. Jacob Cooper arrives in Togwana with his children Jay and Lila and one goal-to discover the secret behind the two-mile-high Stone that has mysteriously appeared overnight. Who could have excavated, carved, and transported the colossal Stone? The Coopers' uneasiness soon turns into dread as they are watched and threatened by the country's new government and brutal dictator Id Nkromo. Follow the Coopers as they race to solve the mystery of the desert stone!

In 1885, the Murphy mine struck gold. According to legend, Annie Murphy killed her husband out of greed, but just before she was to be hanged for the murder, she escaped. Now, a hundred years later, there have been sightings of Annie Murphy's "ghost." The Coopers unwittingly become involved in a mystery that finds them caught between the past and the present.

If you've ever been there, you've never forgotten how it feels. It's being undersized or oversized or less than beautiful. It's knowing you are vulnerable and that someone is ready to take advantage of your weakness. It's the fraternity you never wanted to join-the fellowship of the wounded spirit. And Frank Peretti is a member, too. In this powerful book, Frank Peretti shares his deeply personal story of growing up different, and the persecution he suffered because of it. And from this reservoir of memories he urges: those being abused to speak up and seek help those in authority to take notice- and action the "strong" kids to stand up and protect the weak- not prey upon them all of us to stop thinking of abuse as "normal" or as "kids being kids" This groundbreaking work shows how we all - bullies and victims alike - can find both healing and forgiveness from the anguish and torment associated with the growing epidemic of bullying.

A vivid account of the largest act of civil disobedience in US history, in Richard Nixon ' s Washington They surged into Washington by the tens of thousands in the spring of 1971. Fiery radicals, flower children, and militant vets gathered for the most audacious act in a years-long movement to end America ' s war in Vietnam: a blockade of the nation ' s capital. And the White House, headed by an increasingly paranoid Richard Nixon, was determined to stop it. Washington journalist Lawrence Roberts, drawing on dozens of interviews, unexplored archives, and newfound White House transcripts, recreates these largely forgotten events through the eyes of dueling characters. Woven into the story too are now-familiar names including John Kerry, Jane Fonda, and Daniel Ellsberg, leaker of the Pentagon Papers. It began with a bombing inside the US Capitol—a still-unsolved case to which Roberts brings new information. To prevent the Mayday Tribe ' s guerrilla-style traffic blockade, the government mustered the military. Riot squads swept through the city, arresting more than 12,000 people. As a young female public defender led a thrilling legal battle to free the detainees, Nixon and his men took their first steps down the road to the Watergate scandal and the implosion of the presidency. Mayday 1971 is the ultimately inspiring story of a season when our democracy faced grave danger, and survived.

When several students at Baker High School are stricken by an alleged curse of the school's ghost, Elijah and Elisha Springfield and their parents, undercover investigators, are sent to uncover the truth behind the events.

While adventuring with their father, siblings Jay and Lila encounter a supernatural phenomenon in the African country of Togwana and face hostile natives and ancient evil forces in the jungles of Central America.
