Master the essential medical-surgical nursing content you'll need for success on the Next-Generation NCLEX® Exam (NGN) and

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

safe clinical practice! Medical-Surgical Nursing: Concepts for Interprofessional Collaborative Care, 10th Edition uses a conceptual approach to provide adult health knowledge and help you develop the clinical nursing judgment skills that today's medical-surgical nurses need to deliver safe, effective care. "Iggy" emphasizes three emerging trends in nursing - interprofessional collaborative care, concept-based learning, and clinical judgment and systems thinking - trends that will ground you in how to think like a nurse and how to apply your knowledge in the classroom, simulation laboratory, and clinical settings. A perennial bestseller, "Iggy" also features NCLEX Exam-style Challenge and Mastery questions to prepare you for success on the NGN! **UNIQUE!** Interprofessional collaborative approach to care views medical and nursing management through the lens of the nursing process and the NCSBN Clinical Judgment Model and aligns with the Interprofessional Education Collaborative (IPEC) Core Competencies for Interprofessional Collaborative Practice. Consistent use of interprofessional terminology promotes interprofessional collaboration through the use of a common healthcare language, instead of using isolated nursing-specific diagnostic language. **UNIQUE!** Enhanced conceptual approach to learning integrates nursing concepts and exemplars, providing a foundation in professional nursing concepts and health and illness concepts and showing their application in each chapter. Unparalleled emphasis on clinical reasoning and clinical judgment helps you develop these vital skills when applying concepts to clinical situations. **UNIQUE!** Emphasis on Next-Generation NCLEX® Exam (NGN) preparation includes chapter-opening Learning Outcomes and chapter-ending Get Ready for the NCLEX Examination! sections, plus NCLEX Examination Challenge questions and new Mastery Questions, with an answer key in the back of the book and on the companion Evolve website. Emphasis on QSEN and patient safety focuses on safety and evidence-based practice with Nursing Safety Priority boxes, including Drug Alert,

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

Critical Rescue, and Action Alert boxes. Direct, easy-to-read writing style features concise sentences and straightforward vocabulary. Emphasis on health promotion and community-based care reflects the reality that most adult health care takes place in environments outside of high-acuity (hospital) settings. NEW! Strengthened conceptual approach with data-driven Concept and Exemplar selections adds the concepts of pain, inflammation, and infection, and presents Exemplar disorders with a nursing-process format and depth to help prepare you for the Next-Generation NCLEX® Exam (NGN). NEW and UNIQUE! Enhanced focus on clinical judgment and systems thinking ensures alignment with the NCSBN Clinical Judgment Model and emphasizes the six cognitive skills you'll need for effective clinical judgment, for the NGN, and for safe clinical practice. NEW! Emphasis on need-to-know content provides a solid foundation for beginning nurse generalists, including only the most important patient problems for each medical condition, with streamlined chapters and concise coverage of nursing skills for preoperative and postoperative care. NEW! Updated content throughout reflects the latest national and international evidence-based guidelines and protocols. NEW! Improved learning resources on the companion Evolve website are thoroughly updated and closely integrated with the textbook. NEW! Interprofessional Collaboration boxes highlight how the nurse collaborates with other members of the healthcare team. NEW! Ethical/Legal Considerations boxes address dilemmas that medical-surgical nurses face related to technological changes and socioeconomic disparities. NEW! Increased emphasis on home care, health promotion, and community-based care reflects the ongoing shift of care from hospitals to the home environment. NEW! Updated illustrations include new anatomy and physiology images, procedure images, and disorder photos. NEW! Updated drug tables are designed for quick reference and the use of drug trade names is eliminated for better alignment with the NGN. NEW! Coverage of opioid misuse is updated to reflect the opioid crisis in the U.S.

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

NEW! Content on personal safety and preparedness for mass casualty events has been expanded to equip you for the realities of healthcare today. NEW! Key terms and definitions at the beginning of each chapter give you advance familiarity with essential terminology. NEW! Revised Key Points align closely with Learning Outcomes and each includes a QSEN or Clinical Nursing Concept "tag" to maximize your study efficiency. NEW! Simplified and streamlined chapters make the book easier to use and information easier to find.

The sixth edition includes a new emphasis on clinical decision-making for patient-centered collaborative care and more streamlined and balanced coverage of the core body of knowledge needed for safe clinical practice. There is also expanded coverage of emergency and disaster preparedness along with an enhanced "Get Ready for the NCLEX Examination" feature that includes the addition of new NCLEX Challenge questions. --from publisher description.

This innovative medical-surgical resource features a unique collaborative approach that helps readers understand the multidisciplinary nature of medical-surgical care by presenting all medical, surgical, nursing, and other interventions through the framework of the nursing process. In addition to comprehensive med-surg coverage, this book incorporates cutting-edge content in areas such as emergency nursing and genetic concepts. Also features extensive NCLEX(r) examination preparation materials. The 5th edition includes expanded emergency nursing content, genetics coverage, enhanced coverage of pharmacology, innovative Concept Maps, and expanded complementary and alternative therapy content.

Corresponding to the 9th edition of Ignatavicius, Workman, and Rebar's Medical-Surgical Nursing: Concepts for Interprofessional

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

Collaborative Care, this thoroughly updated study guide provides you with a thorough review of core med-surg content while also developing your clinical judgment and clinical reasoning skills. Completely revised with a fresh emphasis on interprofessional collaboration, NCLEX-style questions, and core textbook content, it helps facilitate a deeper understanding of the core textbook content to ensure that you are thoroughly prepared for med-surg exams, the NCLEX Examination, and safe nursing practice. Provides a thorough review of core textbook content while uniquely developing your clinical nursing judgment skills. **UNIQUE!** Emphasis on clinical nursing judgment prepares you to confidently make safe and effective decisions in clinical practice. **UNIQUE!** Renewed emphasis and focus on core textbook content helps you focus limited study time on learning core medical-surgical content from the textbook, rather than searching for content from other sources. **UNIQUE!** Stronger emphasis on NCLEX Exam question formats, including alternate-item formats, familiarizes you with NCLEX question formats to better prepare for the NCLEX Examination. Answer key in the back of the book facilitates self-study and remediation **NEW!** **UNIQUE!** Focus on nursing concepts and exemplar disorders helps you overcome content saturation by focusing on broad concepts and how they are exemplified in disorders. **NEW!** **UNIQUE!** Focus on interprofessional collaboration includes application of the Core Concepts for Interprofessional Collaborative Practice (IPEC, 2016) in every chapter. **NEW!** Thoroughly revised and updated throughout to match the changes in the 9th edition of the Ignatavicius textbook.

Healthcare is evolving at an incredible pace and with it, the roles and responsibilities of the medical-surgical nurse. Ensure you are fully equipped to thrive and adapt in this ever-changing nursing environment with Ignatavicius, Workman, and Rebar's Medical-Surgical Nursing: Concepts for Interprofessional Collaborative Care, 9th Edition. This text not only covers all essential adult health

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

knowledge, but also reinforces the application, conceptual thinking, and clinical judgment skills that today's nurses need to stay one step ahead in delivering exceptional patient care, no matter the environment. As with previous editions, you'll find a unique collaborative care approach to adult health nursing, a thorough integration of QSEN competencies, extensive NCLEX® Exam preparation, and a direct, reader-friendly tone throughout the text. This ninth edition incorporates two emerging and complementary trends -- the Core Competencies for Interprofessional Collaborative Practice and a more conceptual approach teaching and learning -- areas that will ground you in how to think like a nurse and how to apply the knowledge you gain from the text to clinical practice.

Take your understanding to a whole new level with Pageburst digital books on VitalSource! Easy-to-use, interactive features let you make highlights, share notes, run instant topic searches, and so much more. Best of all, with Pageburst, you get flexible online, offline, and mobile access to all your digital books. The clear, concise, and cutting-edge medical-surgical nursing content in *Medical-Surgical Nursing: Concepts & Practice, 2nd Edition* provides the solid foundation you need to pass the NCLEX Examination and succeed as a new nurse. It builds on the fundamentals of nursing and covers roles, settings, health care trends, all body systems and their disorders, emergency and disaster management, and mental health nursing. Written by noted authors Susan deWit and Candice Kumagai, *Medical-Surgical Nursing* reflects current national LPN/LVN standards with its emphasis on safety as well as complementary and alternative therapies. UNIQUE! LPN Threads share learning features with Elsevier's other LPN textbooks, providing a consistency across the Elsevier LPN curriculum. Key Terms include phonetic pronunciations and text page references. Key Points are located at the end of chapters and summarize chapter highlights. Overview of Anatomy and Physiology at the beginning of each body system chapter provides

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

basic information for understanding the body system and its disorders. Nursing Process provides a consistent framework for disorders chapters. Evidence-Based Practice is highlighted with special icons indicating current research. Assignment Considerations boxes address situations in which the charge nurse delegates to the LPN/LVN or the LPN/LVN assigns tasks to unlicensed assistive personnel. Focused Assessment boxes include information on history taking and psychosocial assessment, physical assessment, and guidance on how to collect data/information for specific disorders. Elder Care Points boxes address the unique medical-surgical care issues that affect older adults. Legal and Ethical Considerations boxes focus on specific disorder-related issues. Safety Alert boxes highlight specific dangers to patients related to medications and clinical care. Clinical Cues provide guidance and advice related to the application of nursing care. Think Critically About boxes encourage you to synthesize information and apply concepts beyond the scope of the chapter. Concept Maps in the disorders chapters help you visualize difficult material and illustrate how a disorder's multiple symptoms, treatments, and side effects relate to each other. Health Promotion boxes address wellness and disease prevention, including diet, infection control, and more. Complementary and Alternative Therapies boxes offer information on how nontraditional treatments for medical-surgical conditions may be used to complement traditional treatment. Cultural Considerations promote understanding and sensitivity to various ethnic groups. Nutrition Considerations address the need for holistic care and reflect the increased focus on nutrition in the NCLEX Examination. Patient Teaching boxes provide step-by-step instructions and guidelines for post-hospital care. Home Care Considerations boxes focus on post-discharge adaptations of medical-surgical nursing care to the home environment. Mental Health Nursing unit includes information on disorders of anxiety and mood, eating disorders, cognitive disorders, thought and personality disorders, and

Download Free Med Surg Test Bank Ignatavicius 6th Edition File Type

substance abuse. Disaster Management content includes material focusing on preparation and mitigation to avoid losses and reduce the risk of injury associated with both natural and bioterrorist disasters. Nursing Care Plans with Critical Thinking Questions show how a care plan is developed and how to evaluate care of a patient. Review questions for the NCLEX-PN Examination at the end of each chapter include alternate-item format questions and help prepare you for class tests and the NCLEX exam. Critical Thinking Activities at the end of chapters include clinical situations and relevant questions, allowing you to hone your critical thinking skills. UNIQUE! Best Practices are highlighted to show the latest evidence-based research related to interventions. Online resources listed at the end of each chapter promote comprehensive patient care based on current national standards and evidence-based practices. UNIQUE! Icons in page margins point to related animations, video clips, additional content, and related resources on the Evolve site.

The team that brings you the popular Davis's Comprehensive Handbook of Laboratory and Diagnostic Tests With Nursing Implications now brings you the only text that explains the who, what, when, how, and why of laboratory and diagnostic testing and connects them to clinical presentations, nursing interventions, and nursing outcomes.

Provides the need-to-know information for nurses, in an easy retrieval format for clinical settings, and includes approximately 200 medical surgical conditions and procedures.
