Misadventures with My Roommate makes me wish I gave half stars. I liked this novella quite a bit, but I just can't give it four stars. There was too much story untold, too much character development that just didn't happen because it was a novella and not a full-length book. I'm sad, too, because I really was into Blake and Gavin's story.

MISADVENTURES ARE STANDALONE ROMANCES THAT CAN BE READ IN ANY ORDER A washed-up model at the age of 27, Oliver Connelly has gone from being a household name to barely making the rent. It's time to think fast—and cash in big—with a can't-miss idea inspired by the passion he sees in a handful of romance novel fans. Book Boyfriend Incorporated is born. Can't. Miss. Right? Except for the unexpected glitches Oliver's business plan doesn't cover—like falling for one of his "lonely lady" clients, Bailey Hardin, a politician's wife who's as smart and loyal as she is beautiful and sexy. Their chemistry, instant and scorching, is already a problem—but when Bailey's husband turns up dead, the pair quickly learns they're facing more than a simple PR nightmare. The mess intensifies when Oliver's best friend decides to put a bid in for the freshly vacated city manager position, ensuring Oliver is now caught between his longtime best friend and his new ladylove. The clock is ticking, and the political scandal is growing. Tough decisions must be made—especially because, for the first time in Oliver's life, matters of his heart are on the line.

Straitlaced freshman Zoey Cartwright has arrived at UCLA determined to have a heck of a lot more fun in college than she did in high school. What's the first item on Zoey's agenda before classes start in two days? Losing her pesky V card. She's definitely not looking for a boyfriend, so where can Zoey find the right guy to do the deed and move along without a backward glance? At a party thrown by a bunch of football players, of course. Enter Tyler Caldwell. A beast on the field and off, cocky as heck, and often wearing T-shirts with sayings like "God's Gift to Womankind." Tyler is most definitely not boyfriend material. After a make-out session with Tyler leaves Zoey entirely unsatisfied, she is determined never to see him again. But her schedule lands her in not one but two of his classes, and it doesn't take long before Tyler and Zoey have reached an arrangement for Tyler to teach Zoey exactly what she wants to know—and a whole lot more she never bargained for. Can Zoey surrender her body to this bad boy without giving him her heart, too? ***** Misadventures is a romantic series of spicy standalone novels, each written or co-written by some of the best names in romance.
