Race for Relevance provides a no-nonsense look at today's realities and how associations operate and what they need to do to remain relevant in the future. Based on more than 40 years of combined experience working with more than 1,000 organizations, the authors examine 5 key areas where the traditional approach that organizations have taken in the past needs to be altered. The 5 key areas of change are: • Overhaul the governance model and committee operations (and get the right people focused on the right things). • Empower the CEO and leverage staff expertise. • Zero in on your member market. • Rationalize programs and services--and focus where you can have an effect. • Get the supporting technology framework right. The book includes worksheets, checklists, and case studies all geared towards helping association leaders--staff and volunteers alike--to kick off the thought-provoking discussions that are generally at the forefront of change, be prepared for those fighting for the status quo, and to implement change without sacrificing your influence. Order a copy today for all of your association leaders and start your drive to thrive.

A contemporary approach to network marketing—from the author of the million-copy bestseller, Your First Year in Network Marketing This is a book about reality—an unpleasant reality that no one seems to want to address. A large number of the population was hit with substantial loss of income and savings during the recent economic meltdown. Many feel that they have no way to build back their savings in order to retire comfortably and securely. Many now believe that there just isn't enough time left to turn it around. How to Become Filthy, Stinking Rich Through Network Marketing is for those who refuse to accept this nonsense. With such a confusing array of home business opportunities and so many millions caught in the financial meltdown, there has never been a more important time for due diligence and a proven path to follow. In How to Become Filthy, Stinking Rich Through Network Marketing you will learn how to: Select the right networking company based on expert advice and solid criteria Thrive as an entrepreneur Deal with fear, rejection, inertia, and naysayers Build professional habits that drive success Lead, motivate, and serve your team Recruit with rejection-free strategies Learn how to develop an entrepreneurial spirit through network marketing in order to build dramatic prosperity today.
