The Nepalese democracy movement is a series of political movements from the 20th century to 2008 that advocated the establishment of representative democracy, a multi-party political system and the abolition of monarchy. It has seen three major movements, the Revolution of 1951, Jana Andolan and Loktantra Andolan which ultimately abolished the Shah monarchy, transitioned Nepal towards a republic and reintroduced multi-party bicameral democracy. The beginning of a national movement for democracy
