So, not quite what I was expecting, however the tutor soon picked up on the fact that we were after something a bit more businessy and is going to cover what we want to know next week. Maybe the course organisers need to be more careful about making sure the course description and the tutor ' s brief actually agree.

"Not Quite What I Was Planning" is a pretty good one though, I may just plagiarize and say "me too" with that one. This is a quick read, a collection of quotes that make you think and wonder "what happened?" to the writers as you read their six word stories. This book would make a great gift. Read more.
