"From bestselling author and New York Times columnist Ben Schott comes an entertaining and much-needed German dictionary for the human condition, a gift book for wordsmiths and Deutschophiles alike"--

The Rough Guide to Naples and the Amalfi Coast is the second edition of this best-selling guide. Now in full colour throughout, the book covers both the city of Naples and the surrounding region in equal detail. It includes a detailed account of the city itself, with in-depth reviews of all the sights, the best hotels, restaurants and nightlife, as well as all the colour maps you need to get around. It also covers the must-see sights of Vesuvius, Pompeii and Herculaneum, including all the practical information you need to see them independently, and it tours the islands of the Bay of Naples, and the resorts of the stunning Amalfi Coast. Throughout it devotes attention to the very best things to see while candidly reviewing the region's accommodation and restaurants. Make the most of this dynamic city and beautiful coastal region with The Rough Guide to Naples and the Amalfi Coast.

First published in 1891, Pellegrino Artusi's *La scienza in cucina e l'arte di mangiar bene* has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

Discover northern and central Italy's hidden gems on 25 leisurely drives, from the dramatic Alpine crags above Turin to the lush valleys of Tuscany and Umbria. Plan your Italy road trip with this full-color driving guide to Northern and Central Italy's most scenic routes. The guide is packed with practical information, including zip codes for use with GPS, and rules of the road, alongside ideas for outdoor activities, ways to sample the local food and wine, and where to discover the relics of ancient Rome.

The essential companion for travellers and anyone who has ever been faced with a menu in a foreign language, *Eating Out in Five Languages* should help you decipher menus whether they are in English, French, German, Italian or Spanish. With over 10,000 food and drink terms translated to and from English, the dictionary covers dishes, ingredients, methods of cooking - as well as useful phrases for

ordering and asking for service. The dictionary is arranged by language: French-English, English-French, English-German, German-English etc. for ease of use. 'A handy resource for any intrepid, travelling foodie' - A Place In The Sun

From international bestseller Stephen King the first ebook ever published—a novella about a young man who hitches a ride with a driver from the other side. Riding the Bullet is “a ghost story in the grand manner” from the bestselling author of Bag of Bones, The Girl Who Loved Tom Gordon, and The Green Mile—a short story about a young man who hitches a ride with a driver from the other side.

A leading humorist and author of the best-selling Closing Time presents an offbeat analysis of his own eccentric reading style to explain why he avoids acclaimed books, reads several things simultaneously and refuses to lend out his books. 25,000 first printing.

"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?

Built on the scarce, but not insignificant surviving materials of Andalusian Arabic, this work provides a synchronic descriptive survey as complete as possible of its basic grammar and lexicon, plus some diachronic comparative remarks, allowing the reader to obtain a near accurate picture of this subject-matter.
