Lenora and Leonia are two powerful witches, but more than that, they are closely bonded sisters. So, when Leonia meets Orin, and decides to take a chance on the man of her dreams, her entire life is turned inside out. Embracing her chance at love, could mean having to change everything she is. Lenora doesn't care for her sister's new love interest, and she sets her sights elsewhere. She takes pity on a couple of unfortunate villagers, creating the first vampires. Now, it's up to Leonia and Orin to correct her mistake, but the stakes are high. The price could very well be their lives. Leonia is determined to keep her new love from harm's way, though, no matter the cost. Even if it means losing the one person, she loves the most. Come along on this journey full of vampires, witches, and werecats--where the heartaches of love and betrayal become twisted
