From the Alarm page I can see that there are two programs, but I can't figure out how to view them. I don't have a programming manual. I hope someone can help. After I get past that hurdle, I want to start writing my own programs. I'll start from the console and later move to a PC via the RS232 port.

~~Mori Seiki SL-3 with Yasnac LX-1 navigation/programming help~~

I just go my new 1983 SL-3 up and running. It has the Yasnac LX-1 controller. I'd like to see the programs that are stored in the machine so I can learn from them. From the Alarm page I can see that there are two programs, but I can't figure out how to view them. I don't have a programming manual. I hope someone can help. After I get past that hurdle, I want to start writing my own programs.
