While both aspects of  
Design and

Deployment are most  
often handled in

separate books you  
seem to concentrate  
on glueing them

together in one book.

# Online Library

## Release It

Personally I have some weakness in the Deployment part or better said in the release stuff.

However I think creating a good Design is much tougher to achieve than a process of release management.

Simply because to my opinion Design is an art while the release

Online Library

Release It

management is a  
(also tough) one-time  
discipline.
