**Amazon.co.uk:Customer reviews: Remember Me (Audio Book ...**

After reading the book I also purchased the audio book on publication/release day to see how a narrator could change the meanings of the book, and because I love audio books as well. The narrator did a brilliant job with reading all the Welsh bits, which I skipped when reading, and got the Welsh Valley accents spot on, although at times Ava's accent went a bit strange, although this could be ...
