International
Abstract. The volume
brings together a
group of legal experts
and activists from
different parts of the
world who, from
international and
comparative
perspectives, consider
the right of
indigenous peoples to
reparations for
breaches of their

Where To Download

individual and collective rights. The first part of the book is devoted to general aspects of this important question, providing a comprehensive assessment of the relevant international legal framework and including overviews of the topic of reparations ...
