Rethinking Japanese Public Opinion and Security From Pacifism to Realism? Studies in Asian Security. by Paul Midford. Published by: Stanford University Press

Rethinking Japanese Public Opinion and Security- Combined ...

The first question Midford asks is: Is Japanese public opinion coherent, stable, and influential enough to constrain Japanese policy-makers, and in preventing Japan from militarizing? If this were the case, it would support a pluralist model of Japanese democracy. If not, it might give the support to an elitist model of public opinion.

Rethinking Japanese Public Opinion and Security: From ...

In this book, Paul Midford engages claims that since 9/11 Japanese public opinion has turned sharply away from pacifism and toward supporting normalization of Japan's military power, in which Japanese troops would fight alongside their American counterparts in various conflicts worldwide.
