As always, there's a superb group of support characters, most notably the rest of the boys in the Wild Nights Revue. Brad, aka Surfer, is a nice blend of cheeky and sweet and is the perfect candidate for the second instalment of this series, while I'm also hoping my personal favourite, Lucas, aka Dimps, will get his opportunity at love.

"On a Wild Night" begins on a less than promising note as the two refine their plots for finding acceptable husbands. This is not a premise that is likely to endear itself to most 21st century women. Much to my surprise, Laurens manages not only to quickly transform Amanda into a likeable and sympathetic heroine, but also to create a romance that is more than worthy of the Cynster series.

(Shropshire, EN: Platypus Press, 2020) I discovered Joseph Fasano, author of the new novel The Dark Heart of Every Wild Thing, as a poet. A few years back, I read some of his verse, and more recently I heard him reciting poems, both his and others, on his Instagram account, which birthed his "Poem for You" series during the pandemic.

Book Review: 'The Arrest,' by Jonathan Lethem - The New ...

"One Wild Night" is the novella to "Enjoying The Chase". It follows Nate Peters, Ashton Taylor and their "overgrown man-children" friends on one hell of a bachelor party. I give this five stars, as a book. Same goes for the physical appearance of the book. It's in good condition, no creases or tears. No complaints at all.
