Savage Continent | Keith Lowe | Macmillan

Since World War II was not fought on United States soil, most U.S. citizens do not appreciate that it took the continent of Europe approximately 10 years to begin recovering from the devastation caused by World War II. The book, Savage Continent, discusses World War II from the perspective of its impact on the civilians of Europe. It presents information that most people in the USA have never been told but which could be of significant value to us if World War III is fought on United States ...
