How much does one's color matter? Are we the color we see when regarding ourselves in the mirror, the color others see when they look at us or the color assigned to us by our circumstances of birth? Ally, a slave, has to answer these questions and, ultimately, discover what freedom means. Much of her story recounts her perilous journey: pursued by slave

catchers, enduring cold and hunger, following the North Star. After crossing the Ohio River, safety is not assured because of the Fugitive Slave Act, but she is helped by Underground Railroad "conductors" until she becomes too ill to continue to Canada and freedom. Ally succeeds in ways she could not foresee to find freedom and love.

social and cultural significance of skin color in a broad range of societies and historical periods, this insightful collection looks at how skin color affects people's opportunities in Latin America, Asia, Africa, and North America. Is skin color bias distinct from racial bias? How does skin color preference relate to gender, given the association of lightness with desirability and beauty in women? The authors of this volume explore these and other questions as they take a closer look at the role Western-dominated culture and media have played in disseminating the ideal of light skin globally. With its comparative, international focus, this enlightening book will provide innovative insights and expand the dialogue around
