Creative Visualization is the art of using mental imagery and affirmation to produce positive changes in your life. It is being successfully used in the fields of health, business, the creative arts, and sports, and in fact can have an impact in every area of your life. With more than six million copies sold worldwide, this pioneering bestseller and perennial favorite helped launch a new movement in personal growth when it was first published. The classic guide is filled with meditations, exercises, and techniques that can help you use the power of your imagination to create what you want in your life, change negative habit patterns, improve self-esteem, reach career goals, increase prosperity, develop creativity, increase vitality, improve your health, experience deep relaxation, and much more. This book can help you to increase your personal mastery of life.

Organized around the calendar year and the seasons, a collection of 365 clear and simple affirmations and/or questions is designed to show readers how to release old patterns and beliefs to enhance their awareness of self and their spiritual paths. Original.

Explains how to develop the many different levels of being and details ways to achieve a greater balance and wholeness in life

Who am I? What is my purpose? The answers to these questions seemed to have been elusive for many, or even yet the search still hasn't started for some. We are all students learning in the school called Life. As we go through it, we learn the lessons that will help us realize the true essence of who we are and what we can do. The Path to Awesomeness provides the clues that will take us closer to the Truth that is already within us. It will illuminate our minds and open our hearts as it takes us to the story of a personal awakening, so that we can see for ourselves the answers we've all been searching for. It is a journey that reflects our own path to healing, self-discovery and self-actualization of becoming awesome **||** our super human potential. It is the adventure of a lifetime that awaits us in The Path to Awesomeness, our destiny in life which we can only embark by letting go of the old-trodden path. The Path to Awesomeness will teach us life's greatest lesson **||** that falling in Love requires a leap of faith, knowing and trusting God will catch us.

Intuition is a birthright, but many have lost touch with it. If embraced and followed, intuition can be an accurate force that permeates all facets of life. Shakti teaches readers how to tap into their inner knowledge and use it to enhance their lives and attain their goals. Chapters explore the role of intuition in health, creativity, work, and prosperity. Exercises based on Shakti's workshops and seminars help readers listen to their inner guide but also evaluate the worthiness of such knowledge in the context of the real world. Stories from her clients and her own life illustrate the practical advice she gives.

First published in 1991 and based on the transcripts of four of Shakti Gawain's audiocassettes, this new edition includes all the original meditations as well as those from more recent works that focus on intuition and prosperity. These meditations can be used to help readers and practitioners tap into creativity; discover their inner child; connect with their inner guide; explore the male and female within; and much more. This new edition is nearly twice as long as the previous one, with twice as many meditations; it also includes a new introduction by the author.
