drafting and negotiating a stockholders agreement. Participants in a closely-held corporation often use a stockholders agreement to establish an understanding among themselves and the corporation as to the corporations governance, special approval rights, information and access rights, transfer rights and restrictions, and rights to participate in future capital raises and sale transactions. This book analyzes a sample agreement from the perspective of each of the parties involved a control investor, a co-investor, a lender, and management. The authors offer guidance on negotiating positions commonly taken by the different parties to the agreement and address the remedies that each party might seek to protect its rights.
