Shoedog

'A refreshingly honest reminder of what the path to business success really looks like ... It's an amazing tale' Bill Gates 'The best book I read last year was Shoe Dog, by Nike's Phil Knight. Phil is a very wise, intelligent and competitive fellow who is also a gifted storyteller' Warren Buffett In 1962, fresh out of business school, Phil Knight borrowed \$50 from his father and created a company with a simple mission: import high-quality, low-cost athletic shoes from Japan. Selling the shoes from the boot of his Plymouth, Knight grossed \$8000 in his first year. Today, Nike's annual sales top \$30 billion. In an age of start-ups, Nike is the ne plus ultra of all start-ups, and the swoosh has become a revolutionary, globe-spanning icon, one of the most ubiquitous and recognisable symbols in the world today. But Knight, the man behind the swoosh, has always remained a mystery. Now, for the first time, he tells his story. Candid, humble, wry and gutsy, he begins with his crossroads moment when at 24 he decided to start his own business. He details the many risks and daunting setbacks that stood between him and his dream - along with his early triumphs. Above all, he recalls how his first band of partners and employees soon became a tight-knit band of brothers. Together, harnessing the transcendent power of a shared mission, and a deep belief in the spirit of sport, they built a brand that changed everything. A memoir rich with insight, humour and hard-won wisdom, this book is also studded with lessons - about building something from scratch, overcoming adversity, and ultimately leaving your mark on the world.

In this instant and tenacious New York Times bestseller, Nike founder and board chairman Phil Knight “offers a rare and revealing look at the notoriously media-shy man behind the swoosh” (Booklist, starred review), illuminating his company’s early days as an intrepid start-up and its evolution into one of the world’s most iconic, game-changing, and profitable brands. Bill Gates named Shoe Dog one of his five favorite books of 2016 and called it “an amazing tale, a refreshingly honest reminder of what the path to business success really looks like. It’s a messy, perilous, and chaotic journey, riddled with mistakes, endless struggles, and sacrifice. Phil Knight opens up in ways few CEOs are willing to do.” Fresh out of business school, Phil Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high-quality, low-cost running shoes from Japan. Selling the shoes from the trunk of his car in 1963, Knight grossed eight thousand dollars that first year. Today, Nike’s annual sales top \$30 billion. In this age of start-ups, Knight’s Nike is the gold standard, and its swoosh is one of the few icons instantly recognized in every corner of the world. But Knight, the man behind the swoosh, has always been a mystery. In Shoe Dog, he tells his story at last. At twenty-four, Knight decides that rather than work for a big corporation, he will create something all his own, new, dynamic, different. He details the many risks he encountered, the crushing setbacks, the ruthless competitors and hostile bankers—as well as his many thrilling triumphs. Above all, he recalls the relationships that formed the heart and soul of Nike, with his former track coach, the irascible and charismatic Bill Bowerman, and with his first employees, a ragtag group of misfits and savants who quickly became a band of swoosh-crazed brothers. Together, harnessing the electrifying power of a bold vision and a shared belief in the transformative power of sports, they created a brand—and a culture—that changed everything.

“An eye-opening look into the story of Knight before his multibillion dollar company.” –School Library Journal “A great story about how an ambition turned into a business...serves as a guide for accomplishing great things.” –VOYA In this young reader’s edition of the New York Times bestseller, Nike founder and board chairman Phil Knight “offers a rare and revealing look at the notoriously media-shy man behind the swoosh” (Booklist, starred review), opening up about how he went from being a track star at an Oregon high school to the founder of a brand and company that changed everything. You must forget your limits. It was only when Nike founder Phil Knight got cut from the baseball team as a high school freshman that his mother suggested he try out for track instead. Knight made the track team and found that not only could he run fast but also, more importantly, he liked it. Ten years later, young and searching, Knight borrowed fifty dollars from his father and launched a company with one simple mission: import high quality running shoes from Japan. Selling the shoes from the trunk of his car to start, he and his gang of friends and runners built one of the most successful brands ever. Phil Knight encountered risks and setbacks along the way, but always followed his own advice. Just keep going. Don’t stop. Whatever comes up, don’t stop. Filled with wisdom, humanity, humor, and heart, the young readers edition of the bestselling Shoe Dog is a story of determination that inspires all who read it. The Young Readers Edition is an abridged version of the internationally bestselling adult book and it features original front matter and back matter, including a new introduction and “A Letter to the Young Reader” containing advice from Phil Knight for budding entrepreneurs.

Shoe Dog loves to chew...well, shoes! But when his choice of chewables leads to trouble, a feline friend has a purr-fect solution. Shoe Dog likes to chew. And chew and chew. But he doesn’t chew a boring old bone. Not a squeaky old toy. Not a smelly old sock. Nope. Shoe Dogs chews...well, take a guess! Chewing shoes poses a problem, however, and Shoe Dog needs help to solve it. Good thing there’s...Shoe Cat! With illustrations so lively that Shoe Dog nearly scurries off the page, this is an irresistibly adorable read-aloud ideal for pet owners and animal lovers alike.

"Phil Knight opens up about how he went from being a track star at an Oregon high school to the founder of Nike"--

In order to stay in the warm and cozy home he has longed for, Shoe Dog must learn to stop chewing shoes.

Hilarious and heartwarming stories by nine renowned authors: · Ann M. Martin · Wendy Orr · Pam Muñoz Ryan · Mark Teague · Thacher Hurd · Valerie Hobbs · Margarita Engle · Matt de la Peña · Jon J Muth Adventures abound in this illustrated anthology. Max the Dax tracks a poodlenapper; Peanut, a mutt, is mistaken for a wolf; and a rescue dog named Gabe searches for a lost boy. This collection has a story for anyone who's ever wanted, known, or loved, a dog.

Constantine is a drifter, a man with a lot of miles behind him and a lot more ahead and a number of jobs in between that never showed up on anyone's books. He hitches a ride on a bright spring morning with a little man named Polk. Heading down a country road in Polk's hopped-up muscle-car, the two men share a few cigarettes. This is how it starts. Later, when Constantine walks toward the big brick house, the Beat in his head, the grip of the .45 warm in his hand, the siren wailing in the night at his back, he thinks that the whole thing started on that road, with the car stopping for his upturned thumb. He thinks that the things that happen to a man are put in motion by something just that small, that random. He thinks about that, and he laughs. But he keeps walking. Shoedog is noir writing at its finest, a modern crime novel with the lingering resonance of good whiskey and the brutal recoil of a shotgun blast.

A New York Times bestseller ■ A Library Journal Best Books of 2015 Pick ■ A St. Louis Post-Dispatch Best Books of 2015 Pick ■A GoodReads Top Ten Fiction Book of 2015 ■ A People Magazine Great Read From New York Times bestselling author and neuroscientist Lisa Genova comes a “heartbreaking...very human novel” (Matthew Thomas, author of We Are Not Ourselves) that does for Huntington’s disease what her debut novel Still Alice did for Alzheimer’s. Joe O’Brien is a forty-three-year-old police officer from the Irish Catholic neighborhood of Charlestown, Massachusetts. A devoted husband, proud father of four children in their twenties, and respected officer, Joe begins experiencing bouts of disorganized thinking, uncharacteristic temper outbursts, and strange, involuntary movements. He initially attributes these episodes to the stress of his job, but as these symptoms worsen, he agrees to see a neurologist and is handed a diagnosis that will change his and his family’s lives forever: Huntington’s disease. Huntington’s is a lethal neurodegenerative disease with no treatment and no cure, and each of Joe’s four children has a 50 percent chance of inheriting their father’s disease. While watching her potential future in her father’s escalating symptoms, twenty-one-year-old daughter Katie struggles with the questions this test imposes on her young adult life. As Joe’s symptoms worsen and he’s eventually stripped of his badge and more, Joe struggles to maintain hope and a sense of purpose, while Katie and her siblings must find the courage to either live a life “at

risk” or learn their fate. Praised for writing that “explores the resilience of the human spirit” (San Francisco Chronicle), Lisa Genova has once again delivered a novel as powerful and unforgettable as the human insights at its core.

You are just one small step away from the life you know you deserve. It's time to leverage your life. Life Leverage means taking control of your life, easily balancing your work and free time, making the most money with the minimum time input & wastage, and living a happier and more successful life.
