Shorter Oxford Textbook Of Psychiatry

Widely recognized as the standard text for trainee psychiatrists, the Shorter Oxford Textbook of Psychiatry stands head and shoulders above the competition. The text has been honed over seven editions, displaying a fluency, authority, and insight rarely found in textbooks which makes the process of assimilating information effective and enjoyable. The book provides an introduction to all the ...

Shorter Oxford Textbook of Psychiatry: Amazon.co.uk ...

But Oxford's Shorter Textbook of Psychiatry includes a brief chapter on Psychopathology which, while not being as extensive as a true Psychopathology textbook, is great at explaining the main manifestations of psychiatric disorders! By now, its greatest fault is only not being accordingly to DSM-5.
