smart grid man in the middle - zacenea.lgpfc.co.uk

Together Bill and Lynda discover a computer virus putting their lives in danger. The virus appears to be part of a conspiracy to manipulate the world ' s most powerful leaders through Smart Grid technology. Bill delves into the investigation, but his prodding labels him a Cyber Terrorist.

Smart Grid: Man In the Middle - Lulu.com

THE SMART GRID MAN JOINS CONEXON. It is my great privilege and pleasure to join Conexon as VP of Business Development. We are working for electric cooperatives to bring fiber to their members' homes (FTTH) and businesses' premises (FTTP) for true gigabit Internet access. The cooperatives also gain the necessary platform to deploy and operate a smart grid.
