Spoken English Manual - nicecontactlenses.com

Listen to English speakers often to hear where natural pauses occur. Practise pronunciation, including word stress. One of the most important aspects of understanding each other's spoken English is through the natural rhythm of our words and sentences. Native English speakers don't think about word stress. They just speak.

Learn English

In particular, when people devise one-for-one sign-for-word correspondences between spoken words (or even morphemes) and signs that represent them, the system that results is a manual code for a spoken language, rather than a natural sign language. Such systems may be invented in an attempt to help teach Deaf children the spoken language, and generally are not used outside an educational context.
