Reducing the selling prices of the products or services, with the intention of attracting consumers with the lower price. This works best in a market with very little differentiation.

Walton effectively used this strategy when it set up its first Walmart store.

plan, is a list of strategic  
goals together with an  
action plan to achieve  
each goal. This is the  
output of strategy  
planning and may be  
developed at the level of
