What does it take to be a good school principal? No two principals work exactly the same way, but research shows that effective principals focus on a core set of factors critical to fostering success among all students. In this second edition of Qualities of Effective Principals, James H. Stronge and Xianxuan Xu delineate these factors and show principals how to successfully balance the needs and priorities of their schools while continuously developing and refining their leadership skills. Throughout the book, the authors provide practical tools and extensive research that will help principals * Assess, exhibit, and harness instructional leadership to meet a school's goals. * Foster and sustain an effective school climate for learning. * Select, support, and retain high-quality teachers and staff. * Manage school resources effectively and efficiently. * Create, maintain, and strengthen internal and external community relationships. * Define their role in student achievement. This book also includes practical skills checklists, along with quality indicators and red flags for effective leadership. Qualities of Effective Principals, 2nd Edition, is an excellent resource for both experienced and new principals committed to developing and leading strong schools that help all students succeed.

Teaching is a demanding profession. Many of the difficulties however, are not in the classroom... In The (Un)official Teacher's Manual, Omar Akbar offers direct, humorous and accessible advice on how to deal with the daily issues faced by a teacher- none of which involve teaching! Includes guidance on: lesson observations, emails, promotions, avoiding meaningless extra work, meetings, parents, maintaining a work-life balance, dealing with workplace bullying, and much more. While Omar pulls no punches on the reality of working in a school, a positive streak is maintained throughout. A must read for any teacher or potential teacher. Contents: How to Get the Most from Observations, Learning Walks, and Book Scrutinies The Don'ts of the School Email System How to Get Promoted and Other Things to Consider How and When to Say No and Yes The Dos and Don'ts of Meetings How to Get Parents on Your Side Guidance for Trainee Teachers Ensuring a Life-Work Balance Bullying: the Problem and the Solution How to Get the Teaching Job You Want Maintaining Good Relationships Why It's All Worth It

The teacher's manual has reduced copies of the pupil's text, the worksheets, and the tests. The answer keys are beside the exercises. Guidance is given for presenting the lesson to the students. The specific points to be taught are listed, along with further instruction and information for the teacher.

The teacher's manual has reduced copies of the pupil's text, with the answer keys beside the exercises. For the worksheets and tests, the answers are shown in color on the reproduced pupil's pages. Guidance is given for presenting the lesson to the students. The specific points to be taught are listed, along with further instruction and information for the teacher.
