Background. Written by Kate Chopin, The Awakening draws many connections from the authors personal life. Chopin was the daughter of an Irish merchant and a French-Creole mother. She lived from 1851 to 1904 in the American South, and although she was a married woman with six children, Chopin always proved to be a uniquely independent and unconventional woman for her time.

Through a series of experiences, or "awakenings," Edna becomes a shockingly independent woman, who lives apart from her husband and children and is responsible only to her own urges and passions. Tragically, Edna's awakenings isolate her from others and ultimately lead her to a state of total solitude.

Edna's Relationships in Kate Chopin's The Awakening. The society of Grand Isle places many expectations on its women to belong to men and be subordinate to their children. Edna Pontellier's society, therefore, abounds with "mother-women," who "idolized their children, worshipped their husbands, and esteemed it to a holy privilege to efface themselves as individuals".
