### The Cambridge Companion to Asian American Literature ...

This Companion offers a comprehensive account of the influence of contemporary British Black and Asian writing in British culture. While there are a number of anthologies covering Black and Asian literature, there is no volume that comparatively addresses fiction, poetry, plays and performance, and provides critical accounts of the qualities and impact within one book.

The Asian context Liberation theology differs from other theologies in that it starts with an analysis of the context, as it wants to respond to the cries of the people arising from it. As contextual theology we can distinguish it by regions - Latin American, African, Asian, European - and by social groups such as the poor, women, blacks, Dalits, indigenous peoples.

This Companion examines the connections between LGBTQ populations and American literature from the late eighteenth to twenty-first centuries. It surveys primary and secondary writings under the evolving category of gay and lesbian authorship, and incorporates current thinking in US-based LGBTQ studies as well as critical practices within the field of American literary studies.
