After years of planning, the Taliban have come to terms with a vicious Mexican drug cartel and agreed to supply them with opium. For the cartel, the deal means money, power, and ultimate control of the drug trade. But for the Taliban, it is a long awaited opportunity: to exploit the cartels and bring the fire of the jihad to the hearts of the infidels, striking against the very heart of America.

Tensions flare in Northwest Asia and Op-Center races to prevent World War III in this chilling, ripped-from-the-headlines thriller from the authors of the USA Today bestseller Out of the Ashes. When a team of assassins murder a high-ranking North Korean general and his family in their sleep, making it look like a robbery, events are set in motion that could shake the balance of world powers. Meanwhile, a U.S. naval combat ship, the USS Milwaukee, is attacked by North Korean forces in the middle of a training exercise off the shore of South Korea, and Commander Kate Bigelow is forced to ground the ship to avoid being captured. The crew takes refuge on a tiny island, trapped dangerously between the grounded ship and a fleet of hostile North Korean soldiers. Op-Center intelligence discovers a secret alliance behind the attack--a pact between China and North Korea that guarantees China total control of a vast oil reserve found beneath the Yellow Sea. As both sides marshal their forces for a major confrontation at sea, Chase Williams and his Op-Center organization devise a plan to secretly spirit the American crew from the island and out from under North Korean control. But the North Koreans are not finished. In a desperate gamble, they unleash a terrorist cell on the American homeland. Only Op-Center can uncover their plan and stop it in time to prevent a major catastrophe that could lead to all-out war.

As President of the United States, Jack Ryan has faced many challenges, but none have been as personal as this and never has he been this helpless in the face of evil in the latest entry in Tom Clancy's #1 New York Times bestselling series. Father West left a comfortable job in the philosophy department at Georgetown to work with the poor in Indonesia. Now he's been arrested and accused of blasphemy against Islam. President Ryan is desperate to rescue his old friend, but he can't move officially against the Indonesians. Instead he relies on the Campus team to find out who is framing the priest. There's one other twist to the story. President Ryan discovers a text on his private cell phone from the priest warning about a coming attack against America...
