The Grunt is a great love story that wasn't too bogged down with heaviness and focus on race. It just told the story of two people who found love and refused to let outside forces tear them apart.

"Marines don't know how to spell the word defeat." Gen. James "Mad Dog" Mattis Staff Sergeant Brett Black is a decorated, Force Recon Marine dedicated to Country, Family and God. Married to the colonel's daughter, Courtney Black, the father of two and prepping for a promotion, his world is finally on track after a long history of unfortunate events. However, while on a special op in in Afghanistan, Brett is severely wounded. Immediately, he is shipped back to the U.S. with the expectation of being medically retired for injuries sustained in the line of duty. Only for a man who has only known one way of life his entire adulthood, the prospect of being kicked out of the Marine Corps creates an internal crisis and an external family conflict. Will he be able to fight back to the man he was in order to stay in his beloved Corps or will he have to take a new path? Courtney Black is a new bride with an adorable stepson and a brand new baby girl; however, she doesn't want to just be a military wife her entire life. So, when her husband is injured, she sees an opportunity for them to leave Camp Lejeune and start a new adventure, especially when Brett's son's biological father comes out of the shadows and threatens to take away the little boy that brought Brett and Courtney together. It's her job to keep her family together despite everything that is tearing them apart. Will she be able to find the balance between personal aspirations and family obligation? Read the love story about two young hearts as they discover that wars are not only fought on the battle field but also at home and marriage is nothing about convenience but everything about sacrifice and unity in The Grunt 2, the sixth installation of The Lonely Heart Series, by USA TODAY, Amazon and National Bestselling Author Latrivia S. Nelson.

LaToya Jenkins is the quintessential woman: smart, successful, grounded and determined. She only has one problem socially - she's overweight. As the "big one" of her girlfriends, she often faces rejection from the men of their social circle because of her size and/or her dark skin. And due to a painful past

relationship, she gives up on love completely until, she takes on Mitchell "Mitch" O'Keefe as a new client. The Irish born architect needs a professional cleaning service to help him literally clean up his life after a nasty divorce, but he winds up finding a true friend in LaToya, the owner of It's An Honor Cleaning Service. While LaToya is handicapped emotionally by her baggage, Mitch thinks she's the strongest woman he's ever seen and a breath of fresh air in his hectic life. His only goal is to prove to her that his interest in her is more than lust sparked by curiosity. Read the story of two beautiful people in totally opposite ways who help each other see that beauty is not skin deep but soul deep in the first book of Latrivia S. Nelson's Lonely Heart Series, The Ugly Girlfriend. Find more at www.latrivianelson.info

Listen To Me is a fictional tale revolving around a mothers quest to reach her daughter, matters that its from her own grave. Asia Kane Lace has been parentless for over two years. Residing in Dallas, Texas with her grandmother, a specific and significant birthday of Asia's arrives. A package is delivered, yet its content was far more than a gift. It was a life journal sent from her deceased mother, Naomi. Set from the early 80s to the present, Listen To Me is a young adult novel of a child discovering life through her mothers death. While reading into her mothers past, Asia's idea of Naomi's immortality is tested by the content of the journal. From her teenage years until her passing, Naomi wrote of sex, drugs, lies and love, all that would face the parentless child. By journals end Asia discovers a letter written to her from Naomi. The note reveals why she died, what lead to her death and why not even six feet of dirt and rocks could keep them apart. Through the pages of a journal assorted with influential poetry, a young girl saw death, yet discovered how to live her life. The choices you choose conclude life or death. Listen To Me wittingly demonstrate both through a terminally ill parent using her personal life as an example. By stories end, a mother teaches life to her daughter from a coffin that was created due to her very own decisions. So, what would you do if you knew your life was going to end yet you had a child to raise? How would you reach them, teach them from beyond the grave? Naomi answered, A Journal.

Stacey Lane Bryant has three rules. She doesn't drive; she doesn't travel; and she most definitely will not date. However those on the inside know that she's a bestselling romance writer and the widow of an esteemed astrophysicist. Greek bombshell, Dr. Hunter Fourakis, instantly falls under Stacey's spell. They fight through tragic personal loss, family prejudices, and age-old traditions to find good, old-fashion love in the second book of the Lonely Hearts Series, Finding Opa! 212 pp.

A powerful, poignant novel of family, friendship, and a summer that will change lives forever.-- book

cover.

There is no truer cliché for Prince Michael than love is blind. As the world's most beautiful man, he has given up his previous title of royal playboy and asked Duchess Thalia to marry him, but when she confesses to loving the crown more than him, he breaks up with her and causes a very public scandal. Prince Richard, the older brother who is forced to fix everything after his brother breaks it, thinks Michael has been spoiled too much and proposes an experiment. Go away under an assumed name and live as a commoner to get a better perspective on life and to get out of the cross hairs of public opinion. Picking a location proves to be tricky but the clever pair decide on the last place in the world anyone would expect a Prince of England to be... Mississippi. Using a fake American accent, Michael nestles into his new home determined to find peace and get his life back on track. But when the prince delivers the mail to the next door neighbor, he experiences firsthand how love at first sight feels. Hope Daniels, a local artist, was recently the victim a car accident. Temporarily blinded and trying to get her own life in order, she falls for the prince on their first meeting. Thinking his is just a kind neighbor, she soon discovers that he's the man of every girl's fantasies. Will love be enough to keep the prince and the artist together or will their paths in this life tear them apart? Read Highness (Part 1), the fifth book in national bestselling author Latrivia Nelson's Lonely Heart series.

In Limbo, award-winning journalist Alfred Lubrano identifies and describes an overlooked cultural phenomenon: the internal conflict within individuals raised in blue-collar homes, now living white-collar lives. These people often find that the values of the working class are not sufficient guidance to navigate the white-collar world, where unspoken rules reflect primarily upper-class values. Torn between the world they were raised in and the life they aspire too, they hover between worlds, not quite accepted in either. Himself the son of a Brooklyn bricklayer, Lubrano informs his account with personal experience and interviews with other professionals living in limbo. For millions of Americans, these stories will serve as familiar reminders of the struggles of achieving the American Dream.

Two classic novels are included in a single volume, first, Miss Lonelyhearts, about a newspaper reporter seeking to avoid writing an agony column, with only his cynical editor Shrike in the way, the second, The Day of the Locust, about Tod Hackett, who pines for a role in the film industry, only to discover the emptiness of Hollywood's inhabitants. Original.

The #1 New York Times bestselling and Newbery Award-winning novel The One and Only Ivan is now a major motion picture streaming on Disney+ This unforgettable novel from renowned author Katherine Applegate

celebrates the transformative power of unexpected friendship. Inspired by the true story of a captive gorilla known as Ivan, this illustrated book is told from the point of view of Ivan himself. Having spent twenty-seven years behind the glass walls of his enclosure in a shopping mall, Ivan has grown accustomed to humans watching him. He hardly ever thinks about his life in the jungle. Instead, Ivan occupies himself with television, his friends Stella and Bob, and painting. But when he meets Ruby, a baby elephant taken from the wild, he is forced to see their home, and his art, through new eyes. In the tradition of timeless stories like Charlotte's Web and Stuart Little, Katherine Applegate blends humor and poignancy to create an unforgettable story of friendship, art, and hope. The One and Only Ivan features first-person narrative; author's use of literary devices (personification, imagery); and story elements (plot, character development, perspective). This acclaimed middle grade novel is an excellent choice for tween readers in grades 5 to 8, for independent reading, homeschooling, and sharing in the classroom. Plus don't miss The One and Only Bob, Katherine Applegate's return to the world of Ivan, Bob, and Ruby!

Orphaned virgin Royal Stone is looking for employment in one of the country's toughest recessions. What she finds is the seven-foot, blond millionaire Dmitry Medlov, who offers her a job as the manager of his new boutique. What she does not know is that her knight in shining armor is also the head of the Medlov Organized Crime Family.
