Jo Walton interview - the Thessaly trilogy*The Just City Jo Walton*

Plato, as I now knew, did not value empathy. As a good writer of fiction, and a decent human being, Jo Walton clearly does value empathy. In her story, the god Apollo goes to live in the Just City to see how others feel, to discover why Daphne ran away from him and turned into a tree to avoid his advances.

*Just City, The (Thessaly): Jo Walton, Noah Michael Levine ...*

THE JUST CITY by Jo Walton . . . is one of the strangest books I've read in long time. The premise is fascinating: the Greek pantheon exists outside of time, meaning the gods can move through it fluidly. They can also snatch humans out of their various centuries and dump them in a time and place of their choosing.

*The Just City (Thessaly, #1) by Jo Walton*

Created as an experiment by the time-traveling goddess Pallas Athene, the Just City is a planned community, populated by over ten thousand children and a few hundred adult teachers from all eras of history, along with some handy robots from the far human future—all set down together on a Mediterranean island in the distant past.

*The Just City by Jo Walton, Paperback | Barnes & Noble®*

The Just City is a delight, both playful and intellectually rigorous. Library Journal Starred Review As skilled in execution as it is fascinating in premise, Walton’s new work doesn’t require a degree in classics, although readers might well be inspired to read Plato after seeing the rocky destruction of his dream.

*The Just City | Jo Walton -- Science Fiction and Fantasy ...*

In her story, the god Apollo goes to live in the Just City to see how others feel, to discover why Daphne ran away from him and turned into a tree to avoid his advances. The whole idea of living well as far as Jo Walton is concerned involves appreciating how others feel and respecting their choices.

The Just City is a science fiction / fantasy novel by Jo Walton, published by Tor Books in January 2015. It is the first book of the Thessaly trilogy. The sequel The Philosopher Kings was published in June 2015, and the final volume, Necessity, in July 2016.

*The Just City - Wikipedia*

The Just City is a fantasy novel by Jo Walton. First published in 2015, the book exposes the problems with philosophical teachings when they’re applied to real situations. Specifically, in The Just City, Walton focuses on Plato’s ideas of justice.

*The Just City Summary | SuperSummary*

In Jo Walton's new novel, the goddess Athene assembles a history-spanning group of thinkers and sets them to creating Plato's famed Just City — but then she makes the mistake of inviting Socrates.

*Book Review: 'The Just City' By Jo Walton | NPR*

Jo Walton ’s latest novel, The Just City, contains time travel, robots and Greek gods, yet its realistic characters—even the divinities—dominate the narrative with their personal struggles to achieve their “best selves.”. The premise is clever and in lesser hands would have been impossible to pull off.

*The Just City (Jo Walton) » Read Online Free Books*

The Just City by Jo Walton is an incredibly fun and thoughtful novel, a book that just sparks with original ideas. I haven't even touched on half of the roads this one led me down. I could probably write another 1,000 words pointing out all the ways The Just City is the perfect counterpoint to Dan Simmons' Ilium.
