Justice and mercy are based upon law. In order for justice and mercy to harmonize and yet not lose their identity as they pertain to the individual soul, it is imperative that each person has a conscience.

**The Law of Justice and the Law of Mercy | Religious ...**  
Law gives justice and mercy claim on an individual. Law may be just, but is not justice. So then, what is justice? Again, Alma says that justice executes law which then inflicts the punishment without which there is no law. So, Justice uses law but is not law. But, is the only function of justice to execute law and inflict punishment.
