clients access justice and enforce their rights. Rights are of little consequence if they cannot be enforced. I am proud of how our great profession, and the Law Society, have worked throughout the entirety of the pandemic to ensure that those rights and that access have meaning.

Home | The Law Society

In considering the law that governed the arbitration agreement, it placed great weight on the parties' choice of an English seat, holding that there was a strong presumption in the absence of an express choice of law governing the arbitration agreement that the curial law (the law of the seat) had impliedly been chosen by the contracting parties.

the entire process. They present you with the information you need to know about the ethical obligations of your lawyer in a straight-forward and easy to read format, answering questions such as; Where do I go to find a lawyer, the yellow pages, the television ads, the courthouse? How do I know the right questions to ask about their qualifications, fees, or what to expect? Is everything I say confidential? What if something goes wrong? In later chapters, the authors also address key questions you should ask your lawyer throughout your legal process. Discover your lawyer's role and position within the legal system and how they work within the laws to be your best advocate (Chapter 9). Learn how to deal with other people's lawyers, including those on the opposing side (Chapter 10). Determine how best to evaluate your legal representation, even if you lose the case (Chapter 11).L This book prepares you for

the legal battle ahead, informing you of the many difficult bumps you may encounter. After reading this book, you'll not only approach your case with a new knowledge, but with confidence that your lawyer is fighting for you because you asked all the right questions and knew the answers.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper

and notes that clarify and encourage analysis of the law governing lawyers. The book 's innovative pedagogy (combination of relevant and interesting problems faced by fictitious law firm " Martyn and Fox, " cases, ethics opinions, thematic notes, and short stories) supports its focus of teaching the Model Rules of Professional Conduct and the Restatement of the Law Governing Lawyers as well as conveying the complexities of ethical dilemmas in legal practice. The book 's manageable length makes it short enough to provide focus, but long enough to convey the rich texture of the material.
