Much NLP training today views Master Practitioner level as simply containing bigger, more complex techniques than Practitioner level, but this is a misconception. Being a Master Practitioner isn't about techniques at all, it's about letting go of techniques altogether and getting to grips with the very foundation of NLP itself - modelling high performers. Modelling is the method behind every NLP technique, and by understand how to extract and replicate the mental processes of high performance, you will transcend everything that you have learned at Practitioner level. The NLP Master Practitioner Manual will show you how to: Break down any NLP technique and adapt it effortlessly to any situation, even in everyday conversation Extract

the innate talents of high performers in any field and replicate those talents Learn how to create coaching and training programs that install high performance models in your learners This NLP Master Practitioner manual is the result of 20 years research and application of NLP by one of its most innovative, practical and results oriented trainers and writers. Peter Freeth has pioneered many recognised developments in NLP's approach and techniques that are now used by countless trainers and professionals, worldwide.

This NLP Practitioner manual is the result of 20 years research and application of NLP by one of its most innovative, practical and results oriented trainers and writers. Peter Freeth has pioneered many recognised developments in NLP's approach and techniques that are now used by countless trainers and professionals, worldwide, including: The flipchart and notepad swishes - loved by trainers, coaches and all professionals for powerful results in any environment The easy way to anchor - succeed every time by discovering how it really works, contrary to what most trainers think Use complex techniques such as the Six Step Reframe and Fast Phobia Cure easily by understanding how to improvise Featuring both the Society of NLP core syllabus and many other popular NLP concepts and techniques, this book will show you how to adapt and apply NLP in any professional environment. There are even chapters on building your professional practice and absorbing NLP into other skill sets, so you really can integrate NLP into your work for the very best results, both for yourself and for your clients. Most importantly of all, this book will help you to understand the underlying structure of NLP's techniques so that you can adapt and use them in the class room, meeting room, board room or even the dining room, all in plain, everyday language.

This much anticipated volume continues the tradition of Volume I, the Practitioner course manual. The authors now invite you to reach beyond Practitioner to Master level to develop the very spirit of NLP. "... the quintessential self-study course on advanced NLP." Judith E. Pearson PhD

This practical resource makes three radically different types of hypnosis easy to use in daily hypnotic work, exploring the methods of Milton H. Erickson, George Estabrooks and David Elman. "A gem. Well-written, well-paced and packed with information." Andrew Bradbury, author of Successful Presentation Skills and Develop Your NLP Skills

Imagine how different your life would be if you were free from your baggage, your limitations, and your pain? As a therapist, imagine having an effective tool to help your clients become free of depression, PTSD and anxiety within hours rather than years? In Mental and Emotional Release, Dr. Matt James introduces an incredible therapeutic process MER proven to be effective in treating everything from bedwetting to bulimia, PTSD to migraines within hours, not years. This is the type of result we all want for all of our patients. But frankly, before I started introducing MER to my patients, I rarely saw it and definitely didnt see it happening as quickly as this. Dr. Larry Momaya, psychiatrist Written in a language both professionals and non-professionals can understand, Mental and Emotional Release offers real life case studies, an overview of MER and its foundation, step by step scripts to follow, and clinical efficacy studies comparing MER to other therapies. Its straight-forward and targeted. Patients dont have to re-live any traumas from the past to resolve them, and they dont have to go into deep hypnotic trance. For 80-85% of my patients, MER gives tremendous relief from their symptoms in the very first session. Dr. Patrick Scott, psychologist

Giving mental health practitioners a complete, fully-scripted, weight reduction program that addresses the problem of obesity in adults, this manual contains complete step-by-step instructions for managing and conducting a program to add a valuable and profitable service to an existing private practice. Includes a CD which contains a reproducible client workbook.

Hall and Bodenhamer follow the success of Volume I with a book that introduces the new advances in the field of Neuro-Linguistic Programming (NLP) and put together comprehensive information for attaining the Master's level.

This book shows you how to use the techniques of neuro-linguistic programming to bring about profound and lasting personal transformation. Healer and NLP practitioner Cissi Williams reveals how NLP can be a powerful tool for helping people free themselves from the grips of their ego and connect more fully with their spirit. She explains: What NLP is and how it relates to spiritual wisdom The essential tools for using NLP to heal with the spirit How to use language to bring about deep healing How to bring about your personal breakthrough How to coach yourself and others You will learn how NLP can change negative feelings into positive, increase your spiritual energy and help to reduce your self-limiting beliefs. As you gain greater skills, Cissi explains how the highest forms of self-healing will take place. You will access your wise inner self and experience extraordinary new levels of awareness. Packed with practical exercises and case studies based on the author's many years of coaching and training experience, this book provides an exciting new dimension to the ever-popular subject of NLP

NLP (Neuro-Linguistic Programming) has helped millions to overcome their fears, increase their confidence, and achieve greater success in their personal and professional lives and relationships. Now, from the company that created NLP: The New Technology of Achievement—one of the bestselling NLP books of all time—comes NLP: The Essential Guide to Neuro-Linguistic Programming.
