The intent of this book is to prepare someone for a successful interview and securing a project management job. Additionally, there is a section for aspiring PM's that want to build a career in the project management area. This is one ambiguous piece of this world and some light is thrown in this section for those questions. This book is not a comprehensive guide for either doing a PMP/CAPM or any such certification. What you need to know about the author. The author of the book is PMP and Scrum Certified Program Manager that has been in the IT field for about 17 years. She has driven several cross functional, large, complex projects to completion successfully. You can know more from her blog [www.careerbuggy.com](http://www.careerbuggy.com). What will this book do for you? This book is written with a pure and sole intention of helping the project managers crack the interview successfully. Being a PM is one thing and being successful in every interview is another. As any software professional, one can prove their skills only if they can get past the hump of an interview. This book is written for each and everyone that are looking for a strong knowledge base for a common, yet unique set of hard Project Manager interview questions. What differentiates this book from others in the same subject. This book is written as a guide and guidance to aspiring or experienced Project Managers and is a short, concise, straight forward practical advice with clear examples for each question. With short and clear practical examples, this book is unique in the subject area.

If it's essential to project management... it's in here! The first edition of The Project Management Answer Book addressed all the key principles of project management that every project manager needs to know. With a new chapter on scrum agile, updates throughout, and many new PMP® test tips, this new edition builds on that solid foundation. The structure of this update maps closely to the PMBOK® Guide, Fifth Edition, and is designed to assist anyone studying for the PMP® and other certification exams. Helpful sections cover: • Networking and social media tips for PMs, including the best professional organizations, virtual groups, and podcast resources • The formulas PMs need to know, plus a template to help certification candidates prepare and self-test for their exams • Quick study sheet for the processes covered on the PMP® exam • Key changes in PMBOK® Guide, Fifth Edition, for readers familiar with earlier versions who want "the skinny" on the new version. PMs at every level will find real gold in the information nuggets provided in this new edition. Those new to project management will find the comprehensive coverage and the depth of the answers especially valuable, and will like the easy-to-read style and Q&A format. For experienced managers looking for new tools and skills to help them pass their PMP® or other certification exams, this is a must-have resource.

Cracking the Project Manager Interview is designed to help you land your ideal project management job. The book's unique two-part organization helps you through the job application process, the interviewing process, job training, and everything in between! In Part I you will learn the ins and outs of the interviewing process: how to get your application noticed, how to prepare for the interview, how to uncover hints in an interviewer's questions, and more. Part II is an extensive review of what you need to know in order to ensure success in your interview. This section includes an overview of fundamental of project management and techniques, providing a quick review for those about to go into an interview, and for those considering project management as a profession, it is a great resource to know what you will need to learn. The book provides practice interview questions and solutions, so readers can go into their interviews confidently. In addition to interview tips and tricks, readers will learn how to sell their value and determine if they fit within a specific organization. Project managers will be given an overview of the hiring process, a detailed walk-through of the various project manager careers available to them, and all the information necessary to identify and pursue their ideal career.

To support the broadening spectrum of project delivery approaches, PMI is offering A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition as a bundle with its latest, the Agile Practice Guide. The PMBOK® Guide - Sixth Edition now contains detailed information about agile: while the Agile Practice Guide, created in partnership with Agile Alliance®, serves as a bridge to connect waterfall and agile. Together they are a powerful tool for project managers. The PMBOK® Guide - Sixth Edition - PMI's flagship publication has been updated to reflect the latest good practices in project management. New to the Sixth Edition, each knowledge area will contain a section entitled Approaches for Agile, Iterative and Adaptive Environments, describing how these practices integrate in project settings. It will also contain more emphasis on strategic and business knowledge-including discussion of project management business documents-and information on the PMI Talent Triangle® and the essential skills for success in today's market. Agile Practice Guide has been developed as a resource to understand, evaluate, and use agile and hybrid agile approaches. This practice guide provides guidance on when, where, and how to apply agile approaches and provides practical tools for practitioners and organizations wanting to increase agility. This practice guide is aligned with other PMI standards, including A Guide to the Project Management Body of Knowledge (PMBOK® Guide) - Sixth Edition, and was developed as the result of collaboration between the Project Management Institute and the Agile Alliance.

Get the Project Management Job You Deserve in 7 Easy Steps Don't waste time memorizing an exhaustive list of interview questions....Learn a simple 7 step process for finding, preparing and passing your next interview Why you need to read this book If you are a business professional seeking your first project manager opportunity or you are an experienced project manager looking more senior roles, this book will help you prepare for a successful project management interview. If you are a project manager looking to interview junior project managers, then this text will help you ask meaningful questions that demonstrate experience in addition to project management competency. By following the 7 step interview process, you'll be well prepared for your next interview as well as have a list of job opportunities to pursue. Interview Strategies ... Not Just Questions Many of the books on the market today simply provide a list of project management questions and suggested answers. Providing a list of questions and responses to memorize and regurgitate is unrealistic and ineffective at best. This text takes a different approach and provides an interview strategy using a step-by-step approach to identify opportunities, prepare for an interview and successfully pass an interview without memorizing. Learn how to prepare, find opportunities and pass the interview process This book will teach you how to prepare your resume, find the right opportunity, pass the initial phone screen and prepare you for your on-site interview and the stages afterward. After following this step-by-step process, you will also have a list of additional job opportunities to pursue in addition to your next interview. Free interview question templates included As part of your purchase, you can download a set of interview templates that will help you identify job opportunities and prepare for technical and management related interview questions. Additional bonus questions included In compiling this book, I consulted with several project management experts to provide current and meaningful project management interview questions. These questions align with the 7 step process taught in the book. Would You Like To Know More? Get started right away and learn the easy 7 step process for successful project management interviews. Scroll to the top of the page and select the 'buy button' now

PROJECT MANAGERS: Are you ready to increase your marketability, network with other project managers, and improve your abilities to lead a project? Become a certified PMP with my efficient, easy-to-follow study guide book, PMBOK ® Guide and PMP ® Exam Prep Book 2018-2019: Study Guide on the Project Management Body of Knowledge with Practice Test Questions for the Project Management Professional Exam by Robert P. Nathan! As any project manager will tell you, time is the most valuable commodity in a project. Updated in line with the PMBOK Sixth Edition, my PMBOK Guide and PMP Exam Prep Book 2018-2019 is designed to make the most of the time you spend preparing for the exam. Rather than being hundreds of pages too long, the following chapters have gone through multiple stages of revision to include only the things that you need to know. The chapters have been designed to be readable, as well as to be easy to go through if you are flipping through. The structure of my book is based on project management's five major process groups: Chapter One: Initiation Chapter Two: Planning Chapter Three: Executing Chapter Four: Monitoring and Controlling Chapter Five: Closing Every chapter covers vital information on project management's ten knowledge areas: communication management, cost management, human resources management, integration management, procurement management, quality management, risk management, scope management, stakeholder management, and time management. Inputs, tools, techniques, and outputs (ITTOs) are organically written into the main text to show how they all fit together. The exam will test your understanding of best practices not memorization of lists. Included with every copy of my study guide is: Ten practice exam questions at the end of each chapter with answers and explanations A full two-hundred question practice exam with answers and explanations A full glossary of all tested terms Access to a FREE app with online flashcards of all tested terms Please note that PMBOK® is a registered trademark of PMI. PMI does not sponsor or endorse this book.
