The Scarlet Letter: A Romance is a work of historical fiction by American author Nathaniel Hawthorne, published in 1850. Set in Puritan Massachusetts Bay Colony during the years 1642 to 1649, the novel tells the story of Hester Prynne who conceives a daughter through an affair and then struggles to create a new life of repentance and dignity. Containing a number of religious and historic allusions, the book explores themes of legalism, sin, and guilt. The Scarlet Letter was one of the first mass-produced books in America. It was popular when first published and is considered a classic work today. It inspired numerous film, television, and stage adaptations. Critics have described it as a masterwork and novelist D. H. Lawrence called it a "perfect work of the American imagination".

Analyzes the plot, setting, characters, themes, and symbolism in Hawthorne's novel, and discusses the purpose of its "Custom-house" portion

Set in the 1870s, the same period as Wharton's *The Age of Innocence*, *The Buccaneers* is about five wealthy American girls denied entry into New York Society because their parents' money is too new. At the suggestion of their clever governess, the girls sail to London, where they marry lords, earls, and dukes who find their beauty charming and their wealth extremely useful. After Wharton's death in 1937, *The Christian Science Monitor* said, "If it could have been completed, *The Buccaneers* would doubtless stand among the richest and most sophisticated of Wharton's novels." Now, with wit and imagination, Marion Mainwaring has finished the story, taking her cue from Wharton's own synopsis. It is a novel any Wharton fan will celebrate and any romantic reader will love. This is the richly engaging story of Nan St. George

A study guide to accompany classroom reading of "The Scarlet Letter" featuring suggested discussion questions, vocabulary work, work sheets, related Bible passages and further readings.

Unlock the more straightforward side of The Scarlet Letter with this concise and insightful summary and analysis! This engaging summary presents an analysis of The Scarlet Letter by Nathaniel Hawthorne. The "scarlet letter" of the title is the letter "A", which the protagonist Hester Prynne must wear as punishment for having committed adultery. However, Hester's virtuous behaviour throughout the narrative makes clear, the line between guilt and innocence is not clear-cut, and she proves an easy character to sympathise with. Through her story, Hawthorne examines the stifling role of Puritanism in her society and the double standards applied to men and women in matters of morality. The Scarlet Letter was chosen by The Guardian as one of the 100 greatest novels ever written in English, and it is widely considered to be a classic of American literature. Find out everything you need to know about The Scarlet Letter in a fraction of the time! This in-depth and informative reading guide brings you:
