The Significance Test
Controversy Revisited:
The Fiducial ...

The purpose of this book is not only to revisit the “significance test controversy,” but also to provide a conceptually sounder alternative. As such, it presents a Bayesian framework for a new approach to analyzing and

Access PDF The Significance

Interpreting experimental data. It also prepares students and researchers for reporting on experimental results.

Fiducial
(PDF) The Significance
Test Controversy
Revisited

This chapter revisits the significance test controversy in the light of Jeffreys' views about the role of statistical inference in experimental

Acces PDF The Significance

investigations. These views have been clearly expressed in the third edition of his Theory of Probability. The relevant passage is quoted and commented. The elementary inference about the difference between two means is considered, but the conclusions are applicable to most of the usual situations
