The Spirit Of Modern R

The Spirit of Modern Republicanism sets forth a radical reinterpretation of the foundations on which the American regime was constructed. Thomas L. Pangle argues that the Founders had a dramatically new vision of civic virtue, religious faith, and intellectual life, rooted in an unprecedented commitment to private and economic liberties.

The Spirit of Modern

In the thirty years since its publication, The Romantic Ethic and the Spirit of Modern Consumerism has lost none of its impact. If anything, the growing commodification of society, the increased attention to consumer studies and marketing, and the ever-proliferating range of purchasable goods and services have made Campbell's rereading of Weber more urgent still.

Max Weber's famous text The Protestant Ethic and the Spirit of Capitalism (1905) is surely one of the most misunderstood of all the canonical works regularly taught, mangled and revered in universities across the globe. This is not to say that teachers and students are stupid, but that this is an exceptionally compact text that ranges across a very broad subject area, written by an out-and ...

The Protestant Ethic and the Spirit of Capitalism

Modern civilization operates, instead, under a rationality that is the extreme opposite. Competition between individuals is considered the greatest dogma, a fallacy built from a dubious interpretation of Darwin's theory of evolution that allowed justifying the unfurling of private property, the concentration of wealth and capitalism.

The Spirit Contemporary Life | Leon Fontaine

--Dr. Elmer L. Towns, co-founder of Liberty University "This timely book shines a light on a truly important concept: the gifts of the Spirit can and should be better adapted to our modern-day culture and powerfully utilized by each and every one of us in our daily lives to minister to those around us. If we dare to adopt this mind-set, we will be more effective, attractive, and culturally ...
