This lack of affirmation of the place of international law in the normative rank has spawned judicial interpretation that has accorded international law the same status as statute law. This not only diminishes the weight that courts should place on international law, but also provides courts with a certain amount of discretion whenever a conflict with an Act of Parliament arises.

The international status and usage of the euro has grown since its launch in 1999. When the euro formally replaced 12 currencies on 1 January 2002, it inherited their use in territories such as Montenegro and replaced minor currencies tied to the pre-euro currencies, such as in Monaco. Four small states have been given a formal right to use the euro, and to mint their own coins, but all other usage outside the eurozone has been unofficial. With or without an agreement, these countries, unlike th

This mandate also gives the ICRC an international legal status, distinct from that of NGOs and akin to that of international intergovernmental organizations such as the UN. To help us fulfil our mandate, the ICRC negotiates what we call a 'status agreement' (also known as a 'headquarters agreement') with the authorities in the countries where we operate.
