Containing 20 laser cut stencils from the world's leading street artists, this book is a must for artists, illustrators, and anyone who loves street art. The stencils are printed on perforated card stock so that they can be removed and used. Each artist has created an in-situ photograph to accompany their stencil, showing how they would use it. The book includes an interview with the founder of stencil art, the Paris-based artist Blek Le Rat.

In this entirely original collection, stencil maverick Ed Roth presents 25 brand-new stencil designs from retro-cool typewriters, microphones, and roller skates to elegant leaves, birds, and abstract shapes. Ed also offers step-by-step directions for more than 20 wildly creative projects that take stenciling to a whole new level. With the help of creative friends such as Erica Domesek of P.S. - I made this and embroidery queen Jenny Hart, Ed shows how to stencil on just about anything T-shirts, leather, mirrors,

food, and even hair using a variety of techniques like stitching, etching, and more.

This fresh collection features over 500 original black-and-white graphic images in four categories: • Retro: '60s, '70s, and '80s motifs with an urban flavor • Pop: references to popular culture and iconic works by Warhol and Lichtenstein • Mod: mid-century images related to fashion, furniture, and architecture • Tech: illustrations of computers, radios, cameras, and other technological devices

Customization is king. With this awesome, entirely original stencil collection anyone can learn to make their mark. Our handy portfolio format includes 25 reusable stencils along with tips and tricks for stenciling on all sorts of surfaces from walls and furniture to T-shirts, cards, and even cake! Stencil maverick Ed Roth has chosen his favorite designs, ranging from urban-cool boom boxes and power lines to naturally fanciful sparrows and branches. Simple instructions take readers step-by-step through the process while photographs provide ample inspiration. Best of all, these stencils can be used over and over again. Simply clean, dry, and store them in the pocket glued at back!

Stencil Wars: The Ultimate Book on Star Wars Inspired Street Art collects fantastic Star Wars inspired Street Art from all over the world. Be inspired and fascinated by the combination of the ironic, political and sarcastic expression of the urban art form of Street Art with one of the most well known pop-cultural phenomenon of our time, the Star Wars Universe.

Stencil Republic is a pure celebration of the art of the stencil. The 20 stencils featured, printed on perforated card stock so that they can be cut out and used, have been created by international artists from across the street art scene, from the old masters to the new kids on the block. A collector's item in its own right, this is a book of stencils that can be used and treasured or just simply be an inspiration to others to create.

Create unique protest graphics with the Protest Stencil Toolkit, revised and updated for modern-day activists. Combine the 42 robust stencils, and the typeface, to create slogans and visual messages. Includes symbols from a variety of important protest movements.

DIV With 20 clever step-by-step projects and a stunning gallery of inspirational stencil designs from leading artists, Playing With Stencils will leave you ready to stencil just about anything. You will design floor tiles stencils inspired by German paper-cutting, you will stencil furniture, shower curtains, a floor cloth, planters, a wall canvas, wallpaper, and even a cake. You will make paper dolls with clothing, stencil beautiful "stationery", stencil custom yardage to use for simple upholstery projects or pillows, make a concert poster, and even stencil a faux rag rug! Stencil art has been around for years, often used for home decorating and for simple crafts, but has gained current interest and cache due to its guerilla use as street art (often making a political statement), and has become a worldwide subculture. Stencil graffiti has given stencil art a new sheen of coolness. This book will show you how to incorporate that look into your work, your accessories, and your home. You'll become inspired to use stencils in your journaling, in collage, on fabric, on totes, and in art pieces designed to be hung on walls—and you will know how to create fantastic custom designs.

Stencil Pirates is the first comprehensive book dedicated to stencil street art. Included are artist profiles, an in-depth history of stencil graffiti, its political context, and how stencils fit into the larger pantheon of street expression. Also here are a detailed "how-to" manual with designing, cutting, and painting tips from the artists, as well as 20 perforated cardstock stencil templates for readers who can't wait to hit the streets.
