The United States Customs Service was an agency of the U.S. federal government that collected import tariffs and performed other selected border security duties. In March 2003, as a result of the homeland security reorganization, the U.S. Customs Service was renamed the Bureau of Customs and Border Protection, and most of its components were merged with the border elements of the Immigration and Naturalization Service, including the entire U.S. Border Patrol and former INS inspectors, together w

WASHINGTON – U.S. Customs and Border Protection (CBP) issued five Withhold Release Orders (WRO) today on products from the People's Republic of China (PRC). The products subject to the WROs are produced with state-sponsored forced labor in the Xinjiang Uyghur Autonomous Region, where the Chinese government is engaged in systemic human rights abuses against the Uyghur people and other ethnic and religious minorities.

The United States imposes tariffs or "customs duties" on imports of goods, being 3% on average. The duty is levied at the time of import and is paid by the importer of record . Individuals arriving in the United States may be exempt from duty on a limited amount of purchases, and on goods temporarily imported (such as laptop computers) under the ATA Carnet system.
