Henry is the No. 3 green engine. He is a long and fast engine and has a thoroughbred look. Like all thoroughbreds, he tends to be a little high-strung and a bit of a worrier. But on any day he'll give any engine a run for its money. Fun Fact! Before his shape was changed, Henry had to have special coal brought in so he could run properly.

The illustrations seen in *Four Little Engines* show a bridge near the station; this is incorrect because there is a level crossing on there. The same book shows an open country just after the station, but in reality, the line runs parallel between the road and cutting as shown in *Gallant Old Engine*.
