Despite real progress, women remain rare enough in elite positions of power that their presence still evokes a sense of wonder. InThrough the Labyrinth, Alice Eagly and Linda Carli examine why women ' s paths to power remain difficult to traverse. First, Eagly and Carli prove that the glass ceiling is no longer a useful metaphor and offer seven reasons why. They propose the labyrinth as a better image and explain how to navigate through it. This important and practical book addresses such critical questions as: How far have women actually come as leaders? Do stereotypes and prejudices still limit women ' s opportunities? Do people resist women ' s leadership more than men ' s? And, do organisations create obstacles to women who would be leaders? This book ' s rich analysis is founded on scientific research from psychology, economics, sociology, political science, and management. The authors ground their conclusions in that research and invoke a wealth of engaging anecdotes and personal accounts to illustrate the practical principles that emerge. With excellent leadership in short supply, no group, organisation, or nation can afford to restrict women ' s access to leadership roles. This book evaluates whether such restrictions are present and, when they are, what we can do to eliminate them.

With excellent leadership in short supply, no group, organisation, or nation can afford to restrict women's access to leadership roles. This book evaluates whether such restrictions are present and, when they are, what we can do to eliminate them.

The last hundred years of scientific and philosophical thought have created dramatic upheavals in how we view our universe, our spiritual beliefs and ourselves. Commonly accepted theories of evolution and relativity and the precepts of existentialism, have shaken the foundations of traditional religious practices. Many people now wonder if enduring spiritual and moral truths even exist.

This book represents a journey though the maze and mysteries of what life holds. Each aphorism conveys a deeper thought that may lead not only to exploration of self, but also a whole exploration of the world external to our own minds. The beauty lies within the realm of thought-provoking text. It is truly a beautiful experience if one has the ability to pause and reflect on the interconnectivity of what life presents. Our Western framework and culturally constructed clutter has occupied our lives to the point where the ability to contemplate deeper truths about our existence has become lost within mechanisms of unnecessary and forced survival. This book allows the individual to absorb deeper thought processes and realizations about the way in which the world operates. Filled with stunning imagery, this collection takes the reader to a place within themselves where they may contemplate the beauty of this Earth, humanity and what truly is important to their own existence. It has been know for an age that deep contemplation may often lead to fulfilling and peaceful existence. May all those who feel and contemplate deeply that which they love be blessed with the strength, courage and will to better themselves and constantly strive for a peaceful state of being. www.thelabyrinthoflife.com.au

Percy Jackson isn't expecting freshman orientation to be any fun. But when a mysterious mortal acquaintance appears on campus, followed by demon cheerleaders, things quickly move from bad to diabolical. In this latest installment of the blockbuster series, time is running out as war between the Olympians and the evil Titan lord Kronos draws near.

Adult coloring for relaxation, stress reduction, meditation, spiritual connection, prayer, centering, healing, and coming into your deep, true self. Ages 9 to 109. Color the drawings of Labyrinths: Meditative Coloring Book 5 to come into balance, calm, intuitive wisdom, spiritual connection, and peace, where you can access the best of yourself and learn to be more of what you are meant to be. Walking a labyrinth, whether with your feet, colored pencils or markers, tracing the path with your finger, or following it with your eyes, can change you. It has been called a pilgrimage, a spiritual journey, a path toward spiritual growth, enlightenment, or salvation. The labyrinth invites you to embrace your soul and come away with more of who you really are. It can change your life, expand what's possible, and open intuition, vision, wisdom, healing, and strength. Often the journey into the labyrinth is taken with a question in mind, or a prayer, or a need for healing. As you move further into the labyrinth you descend deeper into willingness, into yourself, and into sacred wisdom. An answer or realization or healing change may come as you reach the center, or it may come on your way back out to rejoin ordinary life. Or perhaps later, whenever you are ready to receive it. Labyrinths: Meditative Coloring Book 5 allows you to choose which labyrinth you want to walk today, and when and where you want to walk it. See which one catches your attention, which one draws you in, which one feels right. Whichever labyrinth you choose, all lead to your inner, true self where wisdom, guidance, and spiritual connection await. This book includes 36 different original drawings, information about labyrinths, suggestions for how to use this book, a guided meditation, introduction to the artist, and open pages inviting you to record your own impressions. Five Volumes of Meditative Coloring Books: Angels, Crosses, Ancient Symbols, Hearts, and Labyrinths.

Offers an expos é e of the link between the LAPD Rampart scandal and gang violence and rap celebrities, describing how members of the LAPD became involved in criminal activities and how high-level officials covered it up.

The author, a musician, artist, linguist, and traveler, explains how he became attracted to Hinduism and shares his impressions of India, where he has lived for twenty years

Media Kit Since her death in 1922, Sarah Winchester has been perceived as a mysterious, haunted figure. After inheriting a vast fortune upon the death of her husband in 1881, Sarah purchased a simple farmhouse in San Jos é , California. She began building additions to the house and continued construction on it for the next twenty years. A hostile press cast Sarah as the conscience of the Winchester Repeating Arms Company—a widow shouldering responsibility for the many deaths caused by the rifle that brought her riches. She was accused of being a ghost-obsessed spiritualist, and to this day it is largely believed that the extensive construction she executed on her San Jos é house was done to appease the ghouls around her. But was she really as guilt-ridden and superstitious as history remembers her? When Winchester ' s home was purchased after her death, it was transformed into a tourist attraction. The bizarre, sprawling mansion and the enigmatic nature of Winchester ' s life were exaggerated by the new owners to generate publicity for their business. But as the mansion has become more widely known, the person of Winchester has receded from reality, and she is only remembered for squandering her riches to ward off disturbed spirits. Captive of the Labyrinth: Sarah L. Winchester, Heiress to the Rifle Fortune demystifies the life of this unique American. In the first full-length biography of Winchester, author and historian Mary Jo Ignoffo unearths the truth about this notorious eccentric, revealing that she was not a maddened spiritualist driven by remorse but an intelligent, articulate woman who sought to protect her private life amidst the chaos of her public existence. The author takes readers through Winchester ' s several homes, explores her private life, and, by excerpting from personal correspondence, gives the heiress a voice for the first time since her death. Ignoffo ' s research reveals that Winchester ' s true financial priority was not dissipating her fortune on the mansion in San Jos é but investing it for a philanthropic legacy. For too long Sarah Winchester has existed as a ghost herself—a woman whose existence lies somewhere between the facts of her life and a set of sensationalized recollections of who she may have been. Captive of the Labyrinth finally puts to rest the myths about this remarkable woman, and, in the process, uncovers the legacy she intended to leave behind.

The internationally acclaimed, New York Times bestselling author returns to the magnificent universe he constructed in his bestselling novels The Shadow of the Wind, The Angel ' s Game, and The Prisoner of Heaven in this riveting series finale—a heart-pounding thriller and nail-biting work of suspense which introduces a sexy, seductive new heroine whose investigation shines a light on the dark history of Franco ' s Spain. In this unforgettable final volume of Ruiz Zaf ó n ' s cycle of novels set in the universe of the Cemetery of Forgotten Books, beautiful and enigmatic Alicia Gris, with the help of the Sempere family, uncovers one of the most shocking conspiracies in all Spanish history. Nine-year-old Alicia lost her parents during the Spanish Civil War when the Nacionales (the fascists) savagely bombed Barcelona in 1938. Twenty years later, she still carries the emotional and physical scars of that violent and terrifying time. Weary of her work as an investigator for Spain ' s secret police in Madrid, a job she has held for more than a decade, the twenty-nine-year old plans to move on. At the insistence of her boss, Leandro Montalvo, she remains to solve one last case: the mysterious disappearance of Spain ' s Minister of Culture, Mauricio Valls. With her partner, the intimidating policeman Juan Manuel Vargas, Alicia discovers a possible clue—a rare book by the author Victor Mataix hidden in Valls ' office in his Madrid mansion. Valls was the director of the notorious Montjuic Prison in Barcelona during World War II where several writers were imprisoned, including David Mart í n and Victor Mataix. Traveling to Barcelona on the trail of these writers, Alicia and Vargas meet with several booksellers, including Juan Sempere, who knew her parents. As Alicia and Vargas come closer to finding Valls, they uncover a tangled web of kidnappings and murders tied to the Franco regime, whose corruption is more widespread and horrifying than anyone imagined. Alicia ' s courageous and uncompromising search for the truth puts her life in peril. Only with the help of a circle of devoted friends will she emerge from the dark labyrinths of Barcelona and its history into the light of the future. In this haunting new novel, Carlos Ruiz Zaf ó n proves yet again that he is a masterful storyteller and pays homage to the world of books, to his ingenious creation of the Cemetery of Forgotten, and to that magical bridge between literature and our lives.
