The 14 Principles Of The Toyota Way - The Steel Efficiency ...

The fourteen management principles of the "Toyota Way" create the ideal environment for implementing Lean techniques and tools. Dr. Liker explains each key principle with detailed examples from Toyota and other Lean companies on how to: foster an atmosphere of continuous improvement and learning; create continuous process 'flow' to unearth problems; satisfy customers (and eliminate waste at the same time); grow your leaders rather than purchase them; get quality right the first time; and ...
