Understanding Social Problems - Linda Mooney, David Knox ...

A social problem is any condition or behavior that has negative consequences for large numbers of people and that is generally recognized as a condition or behavior that needs to be addressed. This definition has both an objective component and a subjective component.

Understanding Social Problems - GitHub Pages

Understanding Social Problems At the end of each chapter, we offer a section titled “ Understanding ” in which we reemphasize the social origin of the problem being discussed, the consequences, and the alternative social solutions. Our hope is that readers will end each chapter with a “ sociological imagination ” view of the problem and
