# Get Free Until Forever Comes

and this story is meant for those who are 18+ due to adult language and intense adult M/M sexual scenes.

Red's Wolf An  
incendiary short story  
series. Who said Red's  
afraid of the big bad  
wolf?

After my mate rejected  
me, I wanted to kill him.  
Instead, I ran  
away--which nearly  
killed me... A year ago,  
everything was  
different. I had just left  
my home, joining the

# Get Free Until Forever Comes

infamous Mountainside Pack. The daughter of an omega wolf, I've always been prized--but not as prized as I would be if my new packmates found out my secret. But when my fated mate--Mountainside's Alpha--rejected me in front of his whole pack council and my secret got out, I realized I had one choice. Going lone

wolf was the only option I had, and I took it. Now I live in Muncie, hiding in plain sight. If the wolves ever left the mountains surrounding the city, I'd be in big trouble. Good thing that the truce between the vampires and my people is shaky at best and Muncie? It's total vamp territory. Thanks to my new vamp roomie, I get

# Get Free Until Forever Comes

a pass, and I try to forget all about the call of the wolf. It's tough, though. I... I just can't forget my embarrassment--and my anger--from that night. And then he shows up and my chance at forgetting flies out the damn window. Ryker Wolfson. He was supposed to be my fated mate, but he chose his

# Get Free Until Forever Comes

pack over our bond. At least, he did--but now that he knows what I've been hiding, he wants me back. But doesn't he remember? I told him I'll never be his mate, and there isn't a single thing he can do to change my mind. To Ryker, that sounds like a challenge. And if there's one thing I know about wolf shifters, it's that

# Get Free Until Forever Comes

they can never resist a challenge. Just like I'm finding it more difficult than I should to resist him. \*\* Never His Mate is a new release (65,000+ words) featuring Gemma Swann, a wolf shifter who is hiding a damning secret. When her fated mate rejects her for another female, her anger and her

# Get Free Until Forever Comes

embarrassment lead to that secret getting out. Since staying behind on the mountains is just not an option and going back to her home pack is impossible, Gem decides she has one choice: risk death by fang in Muncie, the vamp town surrounding the mountains. Luckily for her, she not only manages to survive the

# Get Free Until Forever Comes

local vamps, but she makes friends with one. Things are looking up for her: she has a place with her roommate, a new job she loves, and the certainty that she'll never have to look at Ryker Wolfson's handsome face ever again. Until he stalks into Muncie and, suddenly, Gem is confronted by his

rejection all over again.

So what if he says he had a good reason? If he thinks she's going to take him back now, he has another think coming. Because Gem? She'll never be his mate...

A teenage girl in Eastern Kentucky has been isolated since birth. She experiences

abuse from her father as unquestionably the will of God. She obeys his rules in hopes of banishing her demons and finding redemption. But when she breaks a rule in order to teach herself to read the Bible, she discovers something more powerful than God's laws. A hidden letter written sixteen years prior by a woman

# Get Free Until Forever Comes

named Allie to her lover, Jute, reveals both disturbing and electrifying secrets. She feels called to find Jute and deliver the letter to her, even if none of the maps in the Bible show the way to Nashville, Tennessee. Meanwhile, in Nashville, Jute has decided to let go of Allie's things. She asks her son, John, to take

the boxes from the attic to the barn. To him, it's all junk. He was never told about Allie. But, when John discovers an old photograph tucked inside one of the notebooks, he is instantly drawn into the mystery of what happened to the girl.
