Railway directions are usually described as "up" and "down", with "up" being towards the major location in most states, which is usually the capital city of the state. For example, in New South Wales , trains running away from Sydney are "down" trains, while in Victoria , trains running away from Melbourne are "down" trains.

Up, down. You get the picture. But what on God's green earth do the others mean? If 'H' is hand and 'P' is penis, what is 'B' and WHAT does 'T' on 'C' mean?! Some people seem to have deciphered the code, noticing that the acts seem to escalate like the normal sexual bases we all know and are familiar with.

Up and Down “ In 2016, real median household income was \$62,898, just \$257 above its level in 1999. Over the next three years it grew almost \$6,000, to \$68,703. That's perhaps why, despite the pandemic, 56% of U.S. voters polled last month said their families were better off today than they were four years ago.
