Vampire Academy: The Graphic Novel Series by Richelle Mead

Vampire Academy is hardly my favorite book in the series (I'm eagerly anticipating the Frostbite and Shadow Kiss graphic novels), but I was definitely impressed with this graphic novel. Seeing the book in picture on the upper-left hand corner just doesn't cut it. Each page is a high quality glossy page with full color graphics.

These Vampire Academy graphic novels  
are very good adaptations of the actual  
novels they represent. The primary  
protagonists are female, so at 12 years old,  
while my son enjoyed this graphic novel,  
he complained that it was "girly." As a 50  
year old adult male, I never even thought  
about it.
