VW Engine Codes. This list shows all Volkswagen engine codes used around the world from 1947 to the late 2000s. This listing is sorted numerically, then alphabetically. Early Beetle and Transporter engines made before 1965 did not have a letter code, but rather just a consecutive number. These are listed here as beginning with '1', even though the highest non-letter engine number in ...

As the first front engined VW Transporter the Volkswagen T4 bus is a real favourite at VW Heritage. Our team have owned numerous short nose T4 and long nose T4 examples, and even had a T4 Syncro too. Of course it's pretty handy for us as we have all the VW T4 parts on the shelf, whenever we need them! With their modern engine, and relative refinement over the outgoing model they offered the ...

I have a VW T4 Transporter. It has developed an intermittent Electrical problem. I would appreciate any advice as to what the problem may be. Problem is when driving along the rev-counter starts flicking up and down. this happens for about 30 seconds before the engine cuts out. Majority of the time you can restart the engine but it doesn't run for long. Give it about 30 minutes and away it ...
