estimates that 19 million adults suffer from anxiety disorders, i.e., anxiety or panic that is so severe or ... Read full review

When Panic Attacks: The New, Drug-Free Anxiety Therapy ...

Klein began having panic attacks after her mom died when she was 16. Over the years, she says her anxiety led her into dark bouts of alcoholism and addiction, into long periods of isolation, and on many trips to the emergency room. Ten years ago, at age 53, she was still having frequent panic attacks, even though she had kicked her addictions.

How to Stop a Panic Attack: 11 Ways to Cope

Many people have just one or two panic attacks in their lifetimes, and the problem goes away, perhaps when a stressful situation ends. But if you've had recurrent, unexpected panic attacks and spent long periods in constant fear of another attack, you may have a condition called panic disorder.

Panic attacks and panic disorder - Symptoms and causes ...

Between panic attacks there is a persistent, lingering worry that another one could come at any minute. Panic disorder symptoms are primarily centered around panic attacks. Panic attacks often
